## Science

Next week, we will focus our weather and climate studies on specific climate zones found in the U.S. and around the world. Climate change will also be a topic for discussion and study. The vocabulary quiz on Thursday, March 9, covers the 20 terms we have been working on since Feb 17; students will have had 20 days to work with the terms on this final vocabulary set for 3rd quarter!! Be sure to check our Weebly pages for additional information and resources.
